## **OUR PHILOSOPHY: FOCUS ON THE INDIVIDUAL**

With our therapeutic work, our primary concern is caring for your health and well-being by providing individualized solutions. Just ask our large pool of satisfied patients.

A knowledgeable team, regular ongoing training and an awareness of current methods of treatment are hallmarks of our work. Experience true results with our hands-on approach!

### ***Our Practice Offers***

- State-of-the-art physical therapy equipment
- A broad range of therapeutic services
- A clean, relaxing environment
- Personal attention and care from our well-trained staff
- Handicap-accessible facilities

### **Mission Statement**

Anderson Physical Therapy ETC., PC is dedicated to providing our clients with the highest quality of outpatient physical therapy delivered with a sense of warmth, friendliness, caring, and Company teamwork. This is accomplished by increasing our relationships with a quad-county healthcare community.

It is also accomplished by our commitment to provide our Employees a stable work environment with equal opportunity of continued personal and professional growth. Open communication and innovation for improving the health and welfare of our clients and employees is strongly encouraged.

Anderson Physical Therapy ETC., PC looks forward to expansion and growth in outer lying areas. This provides outreach to others that may be underserved or unserved. It also provides more employment opportunities within those outer lying areas, thus providing all with a better quality of living through our gifts and talents.
